

PWCA New Membership and Renewal

The Potomac Woods Citizens Association (PWCA) transforms neighbors into a community. Since 1964, residents of Potomac Woods, Falls Orchard and Normandy Mill subdivisions have joined together for lively community events, neighborhood beautification and civic engagement. All activities are supported by your annual dues and performed entirely by volunteers.

Membership Benefits

- **Community Events** – such as the annual meeting, pizza/bingo night, community garage sale, Labor Day picnic, Halloween party and parade, and more.
- **Website (PotomacWoods.org)** The community source for neighborhood happenings, upcoming events, home sales data, unique insights, and community resources.
- **Community Directory** Updated and redistributed every two years (even years so 2012 is a directory year!), PWCA’s Community Directory serves as a valuable contact resource listing for the 415 homes that make up our neighborhood. All dues-paid households receive a copy.
- **Listserv/Forum** – Big Tent features a listserv, calendar and classifieds section, among others, for the exclusive use of PWCA members.
- **Beautification, Surveys, Block Parties and More** PWCA maintains the Falls Road/Kersey Lane community entrance, planting flowers and creating seasonal displays.
